	Thursday	Friday	Saturday	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday	Monday	Tuesday	Wednesday	
10:00		Workflow Demonstration #20 Rogler and MAN Roland	Workflow Demonstration #21 EFI and Heidelberg	Workflow Demonstration #22 NovaVision/Dynagram/Global Graphics	Workflow Demonstration #23 Dynagram and Global Graphics	International Day		JDF-driven Simulated Offset Printing Press based on the Elk Framework presented by Claes Buckwalter in conjunction with BrobyGrafiska	NovaVision Working with JDF-enabled MIS Systems						
10:30	Introduction to CIP4 and JDF with CIP4's Executive Director Jim Harvey	Introduction to CIP4 and JDF with CIP4's Executive Director Jim Harvey	Introduction to CIP4 and JDF with CIP4's Executive Director Jim Harvey	JDF In Use presented by ROGLER Software GmbH	Introduction to CIP4 and JDF with CIP4's Executive Director Jim Harvey	Practical JDF Integration for Printers presented by Ixact (Spanish)	Introduction to CIP4 and JDF with CIP4's Executive Director Jim Harvey	JDF In Use presented by ROGLER Software GmbH	Introduction to CIP4 and JDF with CIP4's Executive Director Jim Harvey	Introduction to CIP4 and JDF with CIP4's Executive Director Jim Harvey	Introduction to CIP4 and JDF with CIP4's Executive Director Jim Harvey	NovaVision Working with JDF-enabled MIS Systems	Introduction to CIP4 and JDF with CIP4's Executive Director Jim Harvey	Introduction to CIP4 and JDF with CIP4's Executive Director Jim Harvey	
11:00	Workflow Demonstration #1 EFI & Kodak	Workflow Demonstration #2 Olive, Metatechno, Kodak and Print On-Demand Solutions	Workflow Demonstration #3 Olive, Metatechno and Heidelberg	Workflow Demonstration #4 Olive, Metatechno, MAN Roland	Workflow Demonstration #5 Optimus, LithoTechnics, Kodak and MAN Roland	Workflow Demonstration #6 Optimus, Dalim Software, MAN Roland and Ixact-Hohner	Workflow Demonstration #7 Ixact MIS, MAN Roland and Ixact-Hohner	Workflow Demonstration #8 NovaVision and Heidelberg	Workflow Demonstration #9 Metrics Sistemas and Dalim Software	Workflow Demonstration #10 Metrics Sistemas and Dalim Software	Workflow Demonstration #11 Optimus and Heidelberg	Workflow Demonstration #12 Rogler and Kodak	Workflow Demonstration #13 Gamsys, Dynagram and Global Graphics	Workflow Demonstration #14 NovaVision, Kodak, MAN Roland and Ixact-Hohner	
11:30	JDF Integration with Prinect presented by Heidelberg	Process Automation for small to medium sized printers: Case Study Panel Discussion	Steps to implementing JDF presented by Global Graphics	MIS and Print Automation Seminar/Panel Discussion	JDF: Open Standards & Connectivity, A Kodak Story	Process Automation for small to medium sized printers: Case Study/Panel Discussion (Japanese)	JDF integration with Prinect presented by Heidelberg	JDF: Open Standards & Connectivity, A Kodak Story presented by Mark Wilton	JDF integration with Prinect presented by Heidelberg	JDF Integration with Prinect presented by Heidelberg	Why you Should Join CIP4 Now	Process Automation for small to medium sized printers: Case Study Panel Discussion Heidelberg Customer (TBO)	Why you Should Join CIP4 Now	JDF in Small Progress Sites presented by Global Graphics	
Noon	NovaVision Working with JDF-enabled MIS Systems		Practical JDF Integration for Printers presented by Ixact (German)		Practical JDF Integration for Printers presented by Ixact (German)		Practical JDF Integration for Printers presented by Ixact. (Spanish)	Practical JDF Integration for Printers presented by Ixact (German)	Process Automation for small to medium sized printers: Case Study/Panel Discussion (German)	Practical JDF Integration for Printers presented by Ixact	Practical JDF Integration for Printers presented by Ixact (German)		Practical JDF Integration for Printers presented by Ixact	NovaVision Working with JDF-enabled MIS Systems	
12:30	Process Automation and Integration with PuzzleFlow JDF Gate with Tomek Drzazek of ACCHSH	JDF stories presented by HiFlex	Postpress Connectivity with Müller Martini presented by Rolf Peter	Practical JDF Integration for Printers presented by Ixact	JDF In Use presented by ROGLER Software GmbH	JDF Tutorial (Spanish) presented by Oscar Barbosa Matias	Process Automation and Integration with PuzzleFlow JDF Gate with Tomek Drzazek of ACCHSH	Postpress Connectivity with Müller Martini presented by Ralph Zaengler	Process Automation for small to medium sized printers: Case Study/Panel Discussion (German)	Process Automation and Integration with PuzzleFlow JDF Gate with Tomek Drzazek of ACCHSH	Postpress Connectivity with Müller Martini presented by Ralph Zaengler	Steps to implementing JDF presented by Global Graphics	Process Automation and Integration with PuzzleFlow JDF Gate with Tomek Drzazek of ACCHSH	JDF In Use presented by ROGLER Software GmbH	
13:00	JDF Tutorial with CIP4's Technical Officer Rainer Prosi	JDF Tutorial (German) with CIP4's Technical Officer Rainer Prosi	JDF Tutorial with CIP4's Technical Officer Rainer Prosi	Inextrama SAP Graphic Arts	NovaVision Working with JDF-enabled MIS Systems	JDF Tutorial (German) with CIP4's Technical Officer Rainer Prosi	JDF Tutorial with CIP4's Technical Officer Rainer Prosi	Inextrama SAP Graphic Arts	JDF Tutorial with CIP4's Technical Officer Rainer Prosi	JDF Tutorial (German) with CIP4's Technical Officer Rainer Prosi	JDF Tutorial with CIP4's Technical Officer Rainer Prosi	JDF Tutorial (German) with CIP4's Technical Officer Rainer Prosi	JDF Tutorial with CIP4's Technical Officer Rainer Prosi	JDF Tutorial (German) with CIP4's Technical Officer Rainer Prosi	
13:30	Workflow Demonstration #5 Optimus, LithoTechnics, Kodak and MAN Roland	Workflow Demonstration #4 Olive, Metatechno, MAN Roland	Workflow Demonstration #3 Olive, Metatechno and Heidelberg	Workflow Demonstration #2 Olive, Metatechno, Kodak and Print On-Demand Solutions	Workflow Demonstration #1 EFI & Kodak	Workflow Demonstration #23 Dynagram and Global Graphics	Workflow Demonstration #22 NovaVision/Dynagram/Global Graphics	Workflow Demonstration #21 EFI and Heidelberg	Workflow Demonstration #20 Rogler and MAN Roland	Workflow Demonstration #19 Intraprint and Dalim Software	Workflow Demonstration #18 LithoTechnics and Dalim Software	Workflow Demonstration #17 Metrics Sistemas and Kodak	Workflow Demonstration #16 Gamsys, Kodak and Komori	Workflow Demonstration #15 Rogler and Dalim Software	
14:00	Practical Applications of JDF from Customers presented by Agfa (German)	Practical Applications of JDF from Customers presented by Agfa		JDF in Small Prepress Sites presented by Global Graphics					Practical Applications of JDF from Customers presented by Agfa (German)	Practical Applications of JDF from Customers presented by Agfa (German)		Practical Applications of JDF from Customers presented by Agfa		Practical Applications of JDF from Customers presented by Agfa (German)	
14:30	Web-to-Print and Job Management with JDF presented by Intraprint	Knowing where to cut and fold, Imposition to Finishing presented by Ultimate Technographics	Award Winning Process Automation Case Study Panel Discussion	Web-to-Print and Job Management with JDF presented by Intraprint	Digital Print Automation Seminar/Panel Discussion	Award Winning Process Automation Case Study Panel Discussion (German)	Connecting to the Customer With JDF -- Panel Discussion	Knowing where to cut and fold, Imposition to Finishing presented by Ultimate Technographics	Knowing where to cut and fold, Imposition to Finishing presented by Ultimate Technographics	Award Winning Process Automation Case Study Panel Discussion	The Future of JDF: Discussion Panel with CIP4 Leaders	Web-to-Print and Job Management with JDF presented by Intraprint	Digital Print Automation Seminar/Panel Discussion	MIS and Prepress integration presented by METRICS Sistemas	
15:00	Workflow Demonstration #19 Intraprint and Dalim Software	Workflow Demonstration #18 LithoTechnics and Dalim Software	Workflow Demonstration #17 Metrics Sistemas and Kodak	Workflow Demonstration #16 Gamsys, Kodak and Komori	Workflow Demonstration #15 Rogler and Dalim Software	Workflow Demonstration #14 NovaVision, Kodak, MAN Roland and Ixact-Hohner	Workflow Demonstration #13 Gamsys, Dynagram and Global Graphics	Workflow Demonstration #12 Rogler and Kodak	Workflow Demonstration #11 Optimus and Heidelberg	Workflow Demonstration #10 Metrics Sistemas and Dalim Software	Workflow Demonstration #9 Metrics Sistemas and Heidelberg	Workflow Demonstration #8 NovaVision and Heidelberg	Workflow Demonstration #7 Ixact MIS, MAN Roland and Ixact-Hohner	Workflow Demonstration #6 Optimus, Dalim Software, MAN Roland and Ixact-Hohner	
15:30	Inextrama SAP Graphic Arts	Inextrama SAP Graphic Arts	Inextrama SAP Graphic Arts		Inextrama SAP Graphic Arts	Inextrama SAP Graphic Arts	Inextrama SAP Graphic Arts		Inextrama SAP Graphic Arts	Inextrama SAP Graphic Arts	Inextrama SAP Graphic Arts	Inextrama SAP Graphic Arts	Inextrama SAP Graphic Arts	Inextrama SAP Graphic Arts	
16:00	JDF Integration mit Prinect präsentiert von Heidelberg	JDF: Open Standards & Connectivity, A Kodak Story presented by Mark Wilton	JDF Integration mit Prinect präsentiert von Heidelberg		Printing with JDF presented by MAN Roland	JDF Tutorial (Portuguese) apresentado por Oscar Barbosa Matias	JDF Integration mit Prinect präsentiert von Heidelberg		JDF Integration mit Prinect präsentiert von Heidelberg	JDF Integration mit Prinect präsentiert von Heidelberg	Jetzt CIP4 Miglied werden	JDF: Open Standards & Connectivity, A Kodak Story presented by Mark Wilton	Jetzt CIP4 Miglied werden	JDF: Open Standards & Connectivity, A Kodak Story presented by Mark Wilton	
16:30		MIS & JDF Presented by Optimus	MIS & JDF Presented by Optimus (German)	Developers Tutorial mit CIP4 CTO Rainer Prosi (German)	JDF Integration for Printers with INFOSYSTEMS S.A.	Experiencias con Integración JDF y Optimus, en España (Beneficios y Lecciones Aprendidas / Spanish)	Printing with JDF presented by MAN Roland		Developers Tutorial with CIP4 CTO Rainer Prosi	MIS & JDF Presented by Optimus (Dutch)	JDF stories presented by HiFlex	MIS & JDF Presented by Optimus	JDF Integration for Printers with INFOSYSTEMS S.A.	MIS & JDF Presented by Optimus (German)	JDF stories presented by HiFlex
17:00	MIS and Print Automation Seminar/ Panel Discussion	Business Flow Automation for the Print Industry (German) with Jörg Hunsche – Sales Development Manager of Press-sense	Practical Integration between MIS, Prepress, Production Planning, and Shop Floor with Tim Daisy of Prism		Williamson Printing and other Prism Customer Case Studies with Tim Daisy of Prism	Process Automation and Integration with PuzzleFlow JDF Gate with Tomek Drzazek of ACCHSH (Polish)	JDF: Open Standards & Connectivity, A Kodak Story presented by Mark Wilton		Printnet and the new options such as "individual operator input" for gathering data for a post calculation (JDF audits) and a quick solution for machine scheduling presented by Bernd Schaarschmidt of MAN Roland (Dutch)	Practical Integration between MIS, Prepress, Production Planning, and Shop Floor with Tim Daisy of Prism	Printing with JDF presented by MAN Roland	Williamson Printing and other Prism Customer Case Studies with Tim Daisy of Prism	Printing with JDF presented by MAN Roland (German)	Practical Integration between MIS, Prepress, Production Planning, and Shop Floor with Tim Daisy of Prism	
17:30	JDF Integration for Printers with INFOSYSTEMS S.A.	Printing with JDF presented by MAN Roland			JDF stories presented by HiFlex	Web-to-Print and Job Management with JDF presented by Intraprint (French)		JDF stories presented by HiFlex	Business Flow Automation for the Print Industry (English) presented by Amir Karby, Founder and CTO of Press-sense	JDF stories presented by HiFlex		JDF Integration for Printers with INFOSYSTEMS S.A.	JDF stories presented by HiFlex		
17:30-19:30							CIPPI Awards Presentation and Reception (Main DPG Stage Area)		BING Mix & Mingle 19:30 – 22:30 Location TBA
